The Dr. Martin Luther King, Jr. Back To School Festival was a roaring success!!!! We achieved our goal of providing a fun-filled day in the park for families and helping getting them prepared for going back to school. We could not have done it without each and every one of you. We give our heartfelt thanks to the sponsors, volunteers, staff and especially the people in attendance.

We celebrate this event each year and this year we are proud we had over 21,000 people in attendance and we had over 6,500 book bags with supplies that were distributed to families. Since 1995, 115,600 people have attended the festival, and 32,000 book bags, 2,500 shoulder bags plus 3,000 plastic bags; all with school supplies have been distributed.
